MEMORANDUM FOR THE RECORD

SUBJECT: Inspector General Survey of the Office of
Medical Services (1968)

On the 16th of June 1975, a request came from Mr. McMahon's office to the effect that the Senate Select Committee has requested, via Hank Knoche, a copy of the IG Survey of OMS in 1968. The record on this subject was pulled from Archives and the IG Report reviewed. I phoned Mr. McMahon on the direct line to advise that I could see nothing in the report that should prohibit its full availability as requested. I did request guidance as to items that should be considered in making such a decision. The only reservation that Mr. McMahon identified was that of relating to sources and methods. Since such did not appear in the report, I agreed that the report could be made available and Mr. McMahon will so advise the IG's office who will produce the necessary copy and forward it as appropriate.
